

UPGRADE 010

MOVIAXIS® to MOVI-C® modular

Your advantages

- MOVI-C® modular maintains the system availability at the highest level
- Long term future proof availability: all parts can be procured cost-effectively, quickly and for years
- Conversion can be carried out in 2-3 days
- Suitable for all machines running at MOVIAXIS®
- Energy efficient and therefore lower operating costs
- User friendly software leads to intuitive commissioning
